

# Beautiful World

**Dierks Bentley**

All the noise and the voices are screaming what they have to say  
And the headlines and sound bites are giving me demons to hate  
And the man on TV, he tells me it's ugly  
But if you ask me  
It's a beautiful world  
It's a beautiful world  
Ooh, there's tears and there's fears and there's losses and crosses to bear  
And sometimes the best we can do is just to whisper a prayer  
Then press on because there's so much to live for  
And so much to love  
In this beautiful world  
Say what you will but I still believe  
It's a beautiful world  
It's a beautiful world  
And I know I'm not dreaming  
I just choose to believe it  
So I hate that I sometimes miss what's right in front of my eyes, oh  
And I know at the end of my road I'll be wanting more time  
Just another sunset, one more kiss from my baby  
A smile from my friend  
In this beautiful world  
It's a beautiful world  
Yeah, it's a beautiful world  
Say what you will but I still believe  
It's a beautiful world  
Yeah, it's a beautiful world  
Oh, it's a beautiful world
