

Goodbye My Friend (feat. Aaron Neville)

Linda Ronstadt

written by Karla Bonoff

1988 Seagrape Music (BMI) Oh we never know where life will take us

I know it's just a ride on the wheel

And we never know when death will shake us

And we wonder how it will feel So goodbye my friend

I know I'll never see you again

But the time together through all the years

Will take away these tears

It's okay now

Goodbye my friend I've seen a lot things that make me crazy

And I guess I held on to you

We could've run away and left well maybe

But it wasn't time and we both knew So goodbye my friend

I know I'll never see you again

But the love you gave me through all the years

Will take away these tears

I'm okay now

Goodbye my friend Life's so fragile and love's so pure

We can't hold on but we try

We watch how quickly it disappears

And we never know why But I'm okay now

Goodbye my friend

You can go now

Goodbye my friend
