

You're Gonna Miss This

Trace Adkins

She was staring out the window of that SUV
Complaining, saying "I can't wait to turn eighteen"
She said "I'll make my own money, and I'll make my own rules"
Momma put the car in park out there in front of the school
She kissed her head and said "I was just like you"[Chorus]
You're gonna miss this
You're gonna want this back
You're gonna wish these days hadn't gone by so fast
These are some good times
So take a good look around
You may not know it now
But you're gonna miss this Before she knows it she's a brand new bride
In her one-bedroom apartment, and her daddy stops by
He tells her "It's a nice place"
She says "It'll do for now"
Starts talking about babies and buying a house
Daddy shakes his head and says "Baby, just slow down" You're gonna miss this
You're gonna want this back
You're gonna wish these days hadn't gone by so fast
These are some good times
So take a good look around
You may not know it now
But you're gonna miss this Five years later there's a plumber workin' on the water heater
Dog's barkin', phone's ringin'
One kid's cryin', one kid's screamin'
She keeps apologizin'
He says "They don't bother me
I've got two babies of my own
One's thirty six, one's twenty three
Huh, it's hard to believe, but You're gonna miss this
You're gonna want this back
You're gonna wish these days hadn't gone by so fast
These are some good times
So take a good look around
You may not know it now
But you're gonna miss this You're gonna miss this
Yeah
You're gonna miss this
