

# Nothing Is Real

## Goo Goo Dolls

Hey, anybody in this world?  
Can you talk to me a while?  
Find a reason for it all?  
'Cause I've keep thinking backwards  
To a place I've never been,  
To a home that never was  
It's like I'm losing it again  
And it takes so long to say these words  
Can you wait that long for me?Hey, nothing is real, it's all what you believe  
Something you dream inside your head  
You know how I feel because it's just you and me  
Something I need to call my own  
To feel and call my ownDuck inside this empty room,  
And I'm waiting for the sun to come to me  
Someday, I'm gonna get this right  
Gonna find a better way, I wanna lead another life  
I wanted to let you know me,  
But I'm trapped inside the fear  
And I never said a word though you always seemed to hear  
When I take so long to say these words,  
Yeah, you wait so long for meHey, nothing is real, it's all what you believe  
Something you dream inside your head  
You know how I feel because it's just you and me  
Something I need to call my own  
To feel and call my ownHey, nothing is real, it's all what you believe  
It's something you dream inside your head  
You know how I feel because it's just you and me  
Something I need to call my ownNothing is real, it's all you believe  
It's something you dream inside your head  
Nothing is real, it's all what you believe  
It's something I need to call my own  
To feel and call my own
