Crazy Love

Rhonda Vincent

Tonight, I'm gonna break away
Just you wait and see
I'll never be imprisoned by a faded memoryJust when I think I'm over her
This broken heart will mend
I hear her name and I have to cry
The tears come down againIt happens all the time, this crazy love of mine
Wraps around my heart, refusing to unwind
Crazy loveCount the stars in a summer sky
That fall without a sound
And then pretend that you can't hear
These teardrops comin' downIt happens all the time, this crazy love of mine
Wraps around my heart, refusing to unwind
Crazy loveTonight, I'm gonna break away
Just you wait and see
I'll never be imprisoned by a faded memoryIt happens all the time, this crazy love of mine
Wraps around my heart, refusing to unwind
Crazy loveTonight, I'm gonna break away
