

# Let's Take Our Time

[Ryan Cabrera](#)

I wanna give every part of you the attention it deserves  
I wanna take it slow get you in the mood  
'Cuz the clocks not gonna turn  
We've been waitin' for a couple of weeks now  
I know we shouldn't rush  
There's no one here but us I don't want this to die  
Don't want to ever forget this night  
To hurry you would be a crime  
Let's take our time  
Let's take our time Somethin' so right when I hold you I don't ever wanna let you go  
When you whisper in my ear all the things you want to do  
The sensation starts to grow  
I dreamt about it every day and night  
Never thought that you'd come true  
Now it's just me and you I don't want this to die  
Don't want to ever forget this night  
To hurry you would be a crime  
Let's take our time  
Let's take our time I don't want this to die  
Don't want to ever forget this night  
To hurry you would be a crime  
Let's take our time I don't want this to die  
Don't want to ever forget this night  
To hurry you would be a crime  
Let's take our time  
Let's take our time  
Let's take our time  
Let's take our time  
Let's take our time
