Anyway / Everyday

Trouble

Everyday
I can't hold my shit back, I'll make that cake
I might get my dick sucked and watch the game
Thinkin' 'bout my nigga, locked in that cage
Bitch I'm at my neck in this shit, deep in the game
Fuck 'round and get wet out that bitch
Watch where ya hang
But anyway all day like everyday yeah
But anyway all day like everyday yeah
But anyway all day like everyday yeah
Anyway all day like everydayThinkin' that school in Jamaica my prison
Call a lil bitch out to serenade
Man that little bitch is so irritating
She callin' my phone, she so irritating
She can't save her ex, she can't
I bring him every but cabanas
I like to bang on MC hammer
Man these some pretty little dancers
My family just life in the streets and the beat man
I'm sewn with the hunnids
Told 'em it's how do you handle the shit
You life like I eat in the phantom
No wonder when a nigga gettin' you shit
You treat a nigga like a summer
'Bout to play it for the long one
With that shit that's on my mamaEveryday
I can't hold my shit back, I'll make that cake
I might get my dick sucked and watch the game
Thinkin' 'bout my nigga, locked in that cage
Bitch I'm at my neck in this shit, deep in the game
Fuck 'round and get wet out that bitch
Watch where ya hang
But anyway all day like everyday yeah
But anyway all day like everyday yeah
