

Subway Walls

Yes

Life roll benefits ..., journey existential anywhere we want to be in our secrets halls
Mysteries unsolved but they ever change in time
'Cause you said the truth rise and fall
'Cause that really means the stars
Or you does prefer some subway walls
Or the secrets do it all
We feel it's just too far
Does this safe and fine like of how we think we are
Is the answer in the stars?
One clue lay out of the mystery, know
Electric revelation or just imagination
Eventually to find a victory for game
Is all made
'Cause that really means the stars
Or you does prefer some subway walls
Or the secrets do it all
We feel it's just too far
Does this safe and fine like of how we think we are
Is the answer in the stars?
If the answers is the stars
Then they writing in our selves
Through all til the stars
And answer me my phone, I know exist the stars
Open and sparely your heart
Your time has come so soon
