Swing

Liz Longley

There's something so freeing, not staying or leaving
Keeping you guessing, hangin on
Don't take it personal babe, personally
This is less about you and this is more about me
Not makin promises I could never keep, I could never keepI just wanna swing, swing like a pendulum, time's always movin on
Swing, further than I've ever been, only to come back
Let me go, let me fly
You know that I'll come back around every time
I just wanna swing, swingIt's better not knowing, if I'm comin or goin
But here in the moment, 'til I'm gone
Don't take it personal babe, personally
This is less about you and this is more about me
Not makin promises I could never keep, I could never keep
I just wanna swing, swing like a pendulum, time's always movin on
Swing, further than I've ever been, only to come back
Let me go, let me fly
You know that I'll come back around every time
I just wanna swing, swingCan't settle me down, or make me stand still
Can't hold me back, no nobody ever will
Can't settle me down, or make me stand still
Can't hold me back, no nobody ever will
Can't settle me down, or make me stand stillI just wanna swing, swing like a pendulum, time's always movin on
Swing, further than I've ever been, only to come back
Let me go, let me fly
You know that I'll come back around every time
I just wanna swing, swing
Can't settle me down, or make me stand still
Can't hold me back, nobody ever will
Can't settle me down, or make me stand still
Ooh ohh
Can't settle me down, or make me stand still
Can't hold me back, nobody ever willI just wanna swing
