The Fox In the Snow

Rasputina

Fox in the snow, where do you go
To find something you can eat?
'Cause the word out on the street is, you are starving
Dont let yourself grow hungry now
Dont let yourself grow cold
Fox in the snowGirl in the snow, where will you go
To find someone that will do?
To tell someone all the truth before it kills you
They listen to your crazy laughBefore you hang a right
And disappear from sight
What do they know anyway?
Youll read it in a book
What do they know anyway?
Youll read it in a book tonightBoy on the bike, what are you like
As you cycle round the town?
Youre going up, youre going down
Youre going nowhereIts not as if theyre paying you
Its not as if its fun
At least, not anymore
When your legs are black and blueIts time to take a break
When your legs are black and blue
Its time to take a holidayKid in the snow, way to go
It only happens once a year
It only happens once a lifetime
Make the most of itSecond just to being born
Second to dying too
What else could you do?
