# Chemicals React

## 78Violet

You make me feel out of my element
Like I'm walkin' on broken glass
Like my worlds spinnin' in slow motion
And you're movin' too fastWere you right, was I wrong
Were you weak, was I strong?
Yeah, both of us broken
Caught in the moment
We lived and we loved
And we hurt and we joked, yeahBut the planets all aligned
When you looked into my eyes
And just like that
The chemicals react
The chemicals reactYou make me feel out of my element
Like I'm drifting out to the sea
Like the tides pullin' me in deeper
Makin' it harder to breatheWe cannot deny, how we feel inside
We cannot denyWere you right, was I wrong
Were you weak, was I strong?
Yeah, both of us broken
Caught in the moment
We lived and we loved
And we hurt and we joked, yeahBut the planets all aligned
When you looked into my eyes
And just like that
The chemicals react
The chemicals reactKaleidoscope of colors
Turning hopes on fire, sun is burning
Shining down on both of us
Don't let us lose it
Don't let us lose itWere you right, was I wrong
Were you weak, was I strong?
Yeah, both of us broken
Caught in the moment
We lived and we loved
And we hurt and we joked, yeah
(Yeah, yeah, yeah)We lived
We loved
We hurt
We jokedWe're right

We're wrong
We're weak
We're strong
We lived to loveBut the planets all aligned
When you looked into my eyes
And just like that
Watch the chemicals react
(Yeah, yeah, yeah)
And just like that
The chemicals react
(Yeah, yeah, yeah)
The chemicals react
