Awake and Dreaming

Finger Eleven

I can't lose anything
So what's left is mine
And I win this timeConsolation day
I'll make up a way
I'll know now just what to sayAnd I'll get away from you
Wait and I'll be begging
And I'll get away from you
And pull you down
And pull you downI saw it all again
Fading memory
Became clear to meI try but I can't say
That I'm yours for good
Support me, you said, you wouldAnd I'll get away from you
Wait and I'll be begging
And I'll get away from you
I'll pull you down
I'll pull you downAwake and dreaming
But I'm only sleeping
Awake and dreaming
But I'm only sleepingAnd I'll get away from you
Wait and I'll be begging
And I'll get away from you
I'll pull you down
I'll pull you downAwake and dreaming
But I'm only sleeping
Awake and dreaming
But I'm only sleepingAwake
Awake
