

# Are You Beautiful (Acoustic Version)

Chris Pierce

You never know when you meet someone  
Will she be the one?  
You never know and I wonder to myself  
I wonder to myself  
Are you beautiful?  
Are you beautiful on the inside?  
on the inside?  
Are you beautiful?  
Are you beautiful on the inside?  
on the inside?  
Will she be the one?  
You never know and I wonder to myself  
I wonder to myself  
Are you beautiful?  
Are you beautiful on the inside?  
on the inside?  
Are you beautiful?  
Are you beautiful on the inside?  
on the inside?
