Drwn

Sarah Claire

You're the reason why I am obsessing
You're the only one I'm feeling now
In over my head but it's the best thing, best thing
Take my energy and leave me breathless
Leave me lost, I don't want to be found
Deep within your arms I am so helplessAs I drown
Feel the waves move away
Feel the tide start to hold me down
See the light start to fade
Let it take me away
Drown, drown, drown (ooh ooh)
I jumped in without even looking
I, I just closed my eyes
I, I just took the chance (ooh)
Body feels so heavy, now I'm sinking
Your love pulls me down
Your love pulls me downAs I drown
Feel the waves move away
Feel the tide start to hold me down
See the light start to fade
Let it take me away
Drown, drown, drown (ooh ooh)Deep down into your darkness, I drown, I drown
Deep down into your darkness, I drown, I drown
As I drown
Feel the waves move away
Feel the tide start to hold me down
See the light start to fade
Let it take me away
Drown, drown, drown (ooh ooh)Take me away
