

Someone Like You

[Shawn Colvin](#)

I've been searching for a long time
For someone exactly like you
I've been traveling all around the world, yeah
Waiting for you to come through Someone like you
To make it all worth while
Someone like you to keep me satisfied
Someone exactly like you See, I've been traveling a hard road
Looking for someone exactly like you
I've been carrying my heavy load
Waiting for the light to come shining through Someone like you
To make it all worth while
Someone like you to keep me satisfied
Someone exactly like you Yeah, I've been doin' some soul searchin'
Just to find out where you're at
I've been up and down this highway
In all kinds of foreign lands Someone like you
To make it all worth while
Someone like you to keep me satisfied I've been all around the world
Marching to the beat of a different drum
But my baby I have realized
The best is yet to come Someone like you
To make it all worth while
Someone like you to keep me satisfied
Someone exactly like you Just exactly like you now, exactly like
Yes, just exactly like you
Someone exactly like you
Someone exactly like you
