Princess Ke$ha

Ke$ha

La da da da da
La da da da da da da
Gross!
La da da da da da
La da da da
OK - fuck it!
Oh oh oh, yeah!

Time to get the day going,
Dress it up to the night,
Yo critter crew! (say what)
Make Princess Ke$ha look fine!
Add a little pinch of magic from my fairytale life
And now we go, oh, oh, oh, HA!

Look in the mirror, rub my eyes and what is this?
Some genie slut smiling back, suck it bitch!
Yo Mr Raccoon, pass the jack
Gonna need to rinse,
Trim it, prim it, dress it, mess it,
Yeah now that's my shit!

I'm gettin' ready so ni-i-ice (holla!)
It's kinda cool, I got a robot voice (check this shit out!)
The mirror lady bitch can't deny-y-y
I'm getting customized, customized, customized right.

I'm gettin' ready so tampons up,
Even with this wedgie ridin' up my butt
Thanks to Mr Crow, you sneaky little fuck!
I'm getting customized, customized, customized right.

Pleeeaaaase BITCH!
A touch of glitter on my cheek, now the look is complete.
