Sign Of A Victory (Ft. Soweto Spiritual Singers)

R. Kelly

I can see the colors of the rainbow
And I can feel the sun on my face
I see the light at the end of the tunnel
And I can feel heaven in it's placeAnd that's the sign of a victory
And that's the sign of a victoryI can feel the spirit of the nations
And I can feel my wings ridin' the winds, yeah
I see the finish line just up ahead now
And I can feel it risin' deep withinAnd that's the sign of a victory
And that's the sign of a victoryNow I can see the distance of the journey
High and front with all your might
You open your eyes to global warming
Been through it all, you sacrificed your lifeAnd that's the sign of a victoryAnd that's the sign of a victoryIf we believe, we can achieve anything
Including the impossible, this I know
So let's lift up our heads, yeah
And raise the flag, yeah yeah
And scream like you want to win
Now let the games begin!That's the sign of a victory
That's the sign of a victory
That's the sign of a victory
That's the sign of a victoryWhen you keep on fightin'
After you lost your strength
That's the sign of a victoryWhen darkness is all around you
You still find your way
That's the sign of a victoryCome on and sing
Lift up your voice and sing
Stand up, oh yeah, stand up
The sign of a victory
Ooh oh ohh
That's the sign of a victory
