

# Calling All Fathers (Performance Track)

Todd Smith

Where are the leaders  
Where are the teachers  
Where are the keepers  
Of every home  
There's an emergency  
Greater than any other  
Where are the ones who  
Fight for their own  
Calling all fathers  
Run to your children  
We've fallen asleep and  
Darkness has come  
We will find strength in the name of Jesus  
Calling all fathers WAKE UP  
Wake up  
Wake up  
Wake up  
Evil is waiting  
Outside our windows  
Slowly but surely it's creeping in  
Take up your sword now  
And just like a soldier  
Take back what's been stolen  
And fight like a man  
Calling all fathers  
Run to your children  
We've fallen asleep and  
Darkness has come  
We will find strength in the name of Jesus  
Calling all fathers WAKE UP  
Our sons need to know  
We see the man deep inside of them  
Our daughters need to know that they're adored  
Our wives want to be known  
And that we'll be men of our word  
And if we fall down we'll get back up  
Yes when we fall down we'll get back up  
Calling all fathers  
Run to your children  
We've fallen asleep and  
Darkness has come  
We will find strength in the name of Jesus

Calling all fathers WAKE UP

Wake upWe are the leaders

We are the teachers

We are the keepers

Of our homes

There's an emergency

Greater than any other

Let us be the ones who

Fight for our own
