

Complicated

Hot Water Music

Don't bow down or slip away
Shut your mouth or disintegrate
Every dog has it's day somehow So it seems we're all agitated
So lies the hitch, it's all complicated Way off somewhere quiet on the mountaintops
The meek walk elsewhere
Taking nothing and waiting for the sun Don't bow down or slip away
Rattle every single cage
In a dismal state of a disarraying cloud
Even though we're contaminated
So lies the hitch, it's all complicated Way off somewhere quiet on the mountaintops
The meek walk elsewhere
Taking nothing and waiting for the sun We are only animals
We are only animals
We are only animals ravaging a fragile world away
Way off somewhere quiet on the mountaintops
The meek walk elsewhere
Taking nothing and waiting for the sun
Waiting for the sun
Waiting
