Don't Know

Hard Target

Wait for it, how long have I waited for it
Asking myself why, am I still asking "why"
I can't ignore it, it's just too much and I can't afford it
When I'm so unsure that this is right
Cause' I don't want to fake it, or waste it,
Or be with you just because I'm scared to let you go
What if I miss it, this is everything
I don't want to love you, if I don't know
I hope that it's everything I think it is
I hope that I'm wrong, by thinking that it's not
Cause' I can't do it, it won't do us any good
If coming through the motions is all we've got
Cause' I don't want to fake it, or waste it,
Or be with you just because I'm scared to let you go

What if I miss it, this is everything
I don't want to love you, if I don't know
Well I can't imagine life without you
You want to know why,
I love you...
Don't want to fake it, waste it,
Or be with you just cause' I'm scared to let you go
What if I miss it, this is everything
I don't want to love you...
I don't want to fake it, or waste it,
Or be with you just because I'm scared to let you go
Well, then will I find out and know how this will end up
I can't love you if I don't know,
If I don't know
