

You Sustained Me

Ted & Sheri

Through each day and all it brings
I would have fainted if I had not seen
Hadnâ€™t seen Your hand
Your hand in the midst of my adversity
There have been days and nights, nights I cried
Felt like I would surely have died
But You showed Your mercy Lord
Lord, You sustained me.

(Repeat)

Through each trial and through hard times
You gave me peace Lord, and You kept my mind
Even when I felt, I couldnâ€™t go on
You spoke to my heart, and You said be strong
Sometimes all I had was what I heard
You held me up by Your word
Lord You sustained me.

You sustained me
You sustained me
Thank you Lord
(Repeat 4x)

Lord
I
Thank You
You sustained me
(Repeat 4x)

You sustained me
(Repeat out)
