

Better

Banks

Hey-ey, yeah, yeah-yeah, yeah, yeah, yeah
Hey-ey, yeah, yeah-yeah, yeah, yeah, yeah
Hey-ey, yeah, yeah-yeah, yeah, yeah, yeah
Hey-ey, yeah, yeah-yeah, yeah, yeah, yeah Why you so afraid?
I can see you waiting, waiting, waiting, waiting, waiting
 Withering away
I can see you dying, dying, dead, dying, dying
 Why? Why?
 Baby see
Try I can love you better than she, yeah
 (Yeah, yeah-yeah, yeah, yeah, yeah)
 I can love you better than she can
(Yeah, yeah-yeah, yeah, yeah, yeah) How couldn't you see?
 All the water's cold, cold, cold, cold, cold
 While you lied to me
 You hide in a hole, hole, hole, hole, hole
 And why don't you see?
 Yeah, baby try
 Try to see
Yeah, try, yeah I can love you better than she can, can, can
 (Yeah, yeah-yeah, yeah, yeah, yeah)
 I can love you better than she can
(Yeah, yeah-yeah, yeah, yeah, yeah) Can, can, can, can, can, can
 Can, can, can, can, can, can I can love you better than she can
 I can love you better than she can
