

# The Last Time

Gnarls Barkley

All work and no play  
That's the way it is, ain't it?  
There's a rhythm deep inside of you  
And you must get reacquainted  
When was the last time you danced?  
When was the last time you danced?  
Well, come rock with me baby  
Dance with me darling  
Step with me sweetheart  
The world is watching  
Under an endless sky  
Wish I could fly away forever and ever  
And the poetry is so pure  
When we are on the floor together, it's been a long time  
When was the last time you danced?  
When was the last time you danced?  
Well, come rock with me baby  
Dance with me darling  
Step with me sweetheart  
The world is watching  
Don't deny me any further  
Let me have my way  
Come closer, yeah  
Let's dance the night away  
Come rock with me baby  
Dance with me darling  
Step with me sweetheart  
The world is watching  
Ohh, baby
