

Raised On Heroin

RF7

Junk Junkie, Junkie mother
Whatcha gonna do with your life?
Junk Junkie, Junkie mother
Whose it gonna do you tonight?

Cryin'™ baby, baby screamin'™
nothin'™ you can do for her pain.
Cryin'™ baby, baby screamin'™
Just another problem you made.

Had her at the clinic no father no card
Addicted at birth no chance no guard
born a junkie and raised on heroin'

Junk junkie junkie mother
nursin'™ with that heroin milk.
Junk junkie junkie mother
isn't™ that a nice way to kill.

Smack baby baby junkie
never had a chance in this life.
Smack baby baby junkie
don't™ matter that you put up a fight.
