

Octagon

Young Henry

Live without break your heart

I will fall off.so

live in till .how much

you know how.I.do you.

I thought, I'll live

I always thought you.

I want it all

I want it allI knew it well

I knew you hellBelieve in.

there are.

they are real loveYou believe in, you believe in you believe in .

You believe in, you believe in you believe in oh

You believe in, you believe in you believe in .

You believe in, you believe in you believe in oh
