# Real Life (feat. Ed Sheeran & Jaja Soze)

## Alonestar

'Cause this is a real life and it will only get harder
Long nights and the days get darker
Guess it's like a runaway train so we pick ourselves up then we do it again
'Cause this is a real life and it will only get harder
Long nights and the days get darker
Guess it's like a runaway train so we pick ourselves up then we do it again
