

I'll Say Yes

[Elaine Norwood](#)

I'll say yes to my Lord
I'll say yes to my Lord
He's done great things
He's done great things
He's done great things
So many great things
I'll say, yes, yes, yes to my Lord (repeat)

God gave me a song the angels can't sing:
"Glory hallelujah! I've been redeemed!"
He's done great things! He's done great things!
I'll say yes, yes, yes to my Lord

He put living water down in my soul
Ever since the Holy Ghost took full control
He's done great things!
He's done great things!
I'll say yes, yes, yes to my Lord

He put running in my feet, clapping in my hands
Praises on my lips, joy in my dance
He's done great things!
He's done great things!
I'll say yes, yes, yes to my Lord

I'll say yes to my Lord
I'll say yes to my Lord
He's done great things
He's done great things
He's done great things
So many great things
Yes
