

The Rhymes of the Mountain

Borknagar

The mountains chime
Avast the relentless rhyme
The majesty, the regency
Revails the everlasting rivalryCrowned by the haze of history
A ferocious tore
A regaining core
Ordained by the weight of gravity
Echoes through the halls of loreEchoes through the halls of lore
Crowned by the haze of historyThe monumental fortress of primal grace
Shimmers beyond the horizon astray
Vast and wondrous cast of the glorious
Harmony, diversity, adversary
The cycle of all
The rise and fall
Exuberance in waste
Depravity
Excellence in barren nobility
The lore of monumental regency
The rhymes of the mountainThe cycle of all
The rise and fall
Exuberance in waste
Depravity
Excellence in barren nobility
The lore of monumental regency
