Needles and Pins

Smokie

I saw her today
I saw her face
It was a face I loved and I knew
I had to run away
And get down on my knees and pray
That they'd go away
And still they beginNeedles and pins
Because of all my pride
The tears I gotta hideOh, I thought I was smart
I'd won a heart, didn't think I do
But now you see
She's worse to him than me
Let her go ahead
And take his love instead
And one day she will see
Just how to say "Please"And get down on her knees
That's how they begin
You'll feel those needles and pins
Hurtin' her, hurtin' herWhat can't I stop
And tell myself I'm wrong, I'm wrong, so wrong?
What can't I stand up
And tell myself I'm strong?Because I saw her today
I saw her face
It was a face I loved and I knew
I had to run away
And get down on my knees and pray
That they'd go away
And still they beginNeedles and pins
Because of all my pride
The tears I gotta hideNeedles and pins
Needles and pins
Needles and pins
...
