

the nameless

100Blumen

Yeah!
Pathetic, benign
Accept it, undermine
Your opinion, my justification
Happy, safe
Servant, caged
Malice, utter weakness
No toleration
Invade, committed
Enraged, admit it
Don't condescend, don't even disagree
Desire, decay
Disappoint, delay
You suffered then, now suffer unto me
Obsession, take another look
Remember, every chance you took
Decide, either live with me
Or give up any thought you had of being free
Don't go
I never wanted anybody more than I wanted you
I know
The only thing I ever really loved was hate
Anyone, no
Anything, yes
Anyway, fall
Anybody, mine
Anybody, tell me
I want you
I need you
I'll have you
I won't let anybody have you
Obey me
Believe me
Just trust me
Worship me
Live for me
Be grateful now
Be honest now
Be precious now

Be mine, just love me
Possession, feed my only vice
Confession, I won't tell you twice
Decide, either die for me

Or give up any chance you had of being free
Don't go
I never wanted anybody more than I wanted you
I know
The only thing I ever really loved was hurting you
Don't go
I never wanted anybody more than I wanted you
I know
The only thing I ever really loved was hate
Yeah!

You stay inside the hole
Let me take control, dominate
You are nothing more
You are something less, innocent
Something has to give
Something has to break, omnipresent
Fingers in your skin
Let my savage in, you deserve it
You deserve it!
You deserve it!
You deserve it!
You deserve it!
Don't go
I never wanted anybody more than I wanted you
I wanted you
I know
The only thing I ever really loved was hurting you
Was hurting you
Don't go
I never wanted anybody more than I wanted you
I wanted you
I know
The only thing I ever really loved was hate
You're mine!
I know who you are
You're mine!
I know who you are
You're mine!
I know who you are
You're mine!
