Crazy

The Adicts

It would be good
If we could get out tonight
It would be great
If we could make something happenWe could run a race
Or stand our ground
We could find a place
To hang aroundBut no one's mad enough, no
No one's bad enough, no
No one's crazy anymoreIt would be wild
If we could find a lonely car
It would seem strange
If we could change the regularWe could drive all night
On full headlights
We could speed
Until the day was bright
