For You

Richgirl

[Verse 1]All my life
Can't imagine what will be without my baby
Boy, ain't it too complicated
Just the love with you babyEver since you walked through the door
Knew I never couldn't let you go
Like a river, boy, we just flow
Like a flower, our love will grow
Forever....[Chorus]Whatever tomorrow brings I'll be there (for you)
If ever the sun don't shine, I'll be there (for you)
No matter the distance, oh na na
No matter the time, oh na na
Whatever you need
It's yours, it's mine
For your love,
I'll be there (for you)[Verse 2]Looking up
Limit is the sky, for two stars
There's no one who could take away the joy
And break my heartEver since you walked through the door
Knew I never couldn't let you go
Like a river, boy, we just flow
Like a flower, our love will grow
Forever....[Chorus]Whatever tomorrow brings I'll be there (for you)
If ever the sun don't shine, I'll be there (for you)
No matter the distance, oh na na
No matter the time, oh na na
Whatever you need
It's yours, it's mine
For your love,
I'll be there (for you)[Bridge]They say love don't last forever
But it will if your love is true
We can make it through whatever
I'mma make this promise to you[Chorus]Whatever tomorrow brings I'll be there (for you)
If ever the sun don't shine, I'll be there (for you)
No matter the distance, oh na na
No matter the time, oh na na
Whatever you need
It's yours, it's mine
For your love,
I'll be there (for you)
