

# Back to Hannalei

## From First to Last

Family, a word that meant so much to me  
This world is one that's taken everything (Too late)  
The road split open to swallow me  
Hoping you'd follow and I'd take the lead Am I the child who lost his way?  
I can't let go of all this hate A broken home  
Heaven is lost and we are nothing  
Please bring me back to brighter days  
I can't help but be myself  
Sorry if I'm nothing but a memory.  
God if you're real, take me back to Hannalei Out past the break inside the undertow  
I marvel in the light down below  
I've worn this mask long enough  
And we're past the point of hellos  
It's time I sing to those who relate  
Let go of hate A broken home  
Heaven is lost but angels will sing  
Your path with lead to brighter days  
I can't help but be myself  
Sorry that I'm nothing but a memory.  
If you're up there  
Know I'm in a better place A broken home  
Heaven is lost and we are nothing  
Please bring me back to brighter days  
I can't help but be myself  
Sorry if I'm nothing but a memory.  
God if you're real, take me back to Hannalei
