

# Up to Heaven

**Jean B. Gerbier**

Up to Heaven

The first time I kissed your lips was the biggest stone  
in our relationship. The romance gave me assurance to  
endure moments alone.

If you always be true to me, I promise you to

Chorus

Built it up, we can make it up, if we don't give up,  
we'll make it up to Heaven.

I am glad I was able to kiss the perfect woman  
of my life, who matches my need. A couple now  
till the end of time. in Heaven we'll be together.

If you always be true to me, I promise you to
