

# Here Comes Your Man (Demo)

Pixies

Outside there's a box car waiting  
Outside the family stew  
Out by the fire breathing  
Outside we wait 'til face turns blue  
I know the nervous walking  
I know the dirty beard hangs  
Out by the box car waiting  
Take me away to nowhere plains There is a wait so long (So long, so long)  
You'll never wait so long Here comes your man  
Here comes your man  
Here comes your man Big shake on the box car moving  
Big shake to the land that's falling down  
Is a wind makes a palm stop blowing  
A big, big stone fall and break my crown There is a wait so long (So long, so long)  
You'll never wait so long Here comes your man  
Here comes your man  
Here comes your man  
Here comes your man...
