

I Keep Looking

Sara Evans

Back when I was young, couldn't wait to grow up
Get away and get out on my own
And looking back now ain't it funny how
I've been trying to get back home, yeah When my low self-esteem needs a man-loving me
And I find me a perfect catch
Then I see my friends having wild weekends
And I don't wanna be quite so attached Just as soon as I get what I want, I get unsatisfied
Good is good, but could be better I keep looking, I keep looking for
I keep looking for something more
I always wonder what's on the other side
Of the number two door
I keep looking
Looking for something more Well the straight-haired girls, they all want curls
And the brunettes wanna be blonde
It's your typical thing, you've got yin, you want yang
It just goes on and on They say, "Hey! It's only human to never be satisfied"
Well I guess that I'm as human as the next one, oh I keep looking, I keep looking for
I keep looking for something more
I always wonder what's on the other side
Of the number two door
I keep looking
Looking for something more Just as soon as I get what I want I get unsatisfied
Hey, good is good, but could be better I keep looking, I keep looking for
I keep looking for something more
I always wonder what's on the other side
Of the number two door
I keep looking
Looking for something more Oh, I'm looking for something more
(I keep looking, I keep looking, I keep looking)
Yeah
(Oh I keep looking, keep looking, I keep looking)
Yeah, I'm looking for something more
(Oh I keep looking, I keep looking, I keep looking)
