I Keep Looking

Sara Evans

Back when I was young, couldn't wait to grow up

Get away and get out on my own

And looking back now ain't it funny how

I've been trying to get back home, yeahWhen my low self-esteem needs a man-loving me

And I find me a perfect catch

Then I see my friends having wild weekends

And I don't wanna be quite so attachedJust as soon as I get what I want, I get unsatisfied

Good is good, but could be betterI keep looking, I keep looking for

I keep looking for something more

I always wonder what's on the other side

Of the number two door

I keep looking

Looking for something moreWell the straight-haired girls, they all want curls

And the brunettes wanna be blonde

It's your typical thing, you've got yin, you want yang

It just goes on and on They say, "Hey! It's only human to never be satisfied"

Well I guess that I'm as human as the next one, ohI keep looking, I keep looking for

I keep looking for something more

I always wonder what's on the other side

Of the number two door

I keep looking

Looking for something moreJust as soon as I get what I want I get unsatisfied

Hey, good is good, but could be betterI keep looking, I keep looking for

I keep looking for something more

I always wonder what's on the other side

Of the number two door

I keep looking

Looking for something moreOh, I'm looking for something more

(I keep looking, I keep looking, I keep looking)

Yeah

(Oh I keep looking, keep looking, I keep looking)

Yeah, I'm looking for something more

(Oh I keep looking, I keep looking)

...
