

I Don't Wanna Go Home (feat. Jared Swilley)

Curtis Harding

I don't wanna go home
I really wanna stay with you tonight
cause I've been sleeping all alone
and lately it just don't feel right
I wanna hear you moan
and May when you're alone with me
can I please stay?
Don't make me go away
I don't wanna go home
I really wanna stay with you tonight
cause I've been sleeping all alone
and lately it just aint feeling right
It's been such a long day
Don't make me go away
Like a kid I wanna play
Please let me stay...
cause I don't wanna go home
(I don't wanna go home)
I really wanna stay
with you tonight
Cause I've been sleeping all alone
(I've been sleeping all alone)
And lately it just aint feeling right
Baby please don't make me leave
Cause I will not recede
All the good things thats in store
Baby I want more
I don't wanna go home
I don't wanna go home
I don't wanna go home
