

Pheromone

Prince

Come

Lie down beneath my shadow
Lie down beneath my shadow with great delight
And your feel will be sweet to me

Come

My left hand under your head,
While my right embraces time
Therein, my virgin, love's wineL is for lust
O is for obsession
V is for the vast way you envelop my soul
This is crazy, this is crazy
I could die from the pheromoneI can see the castle

I can see the throne

I can see the beloved and she's not alone

But it's cool like that

Cause I'll be diggin' her just the same

I can see the curtain wrestled from the wall

I can see her hands tied

I can see it all

He pulls a gat

This is how they play the game

And I'm 'round the the back

Cause curiosity it knows no shamePheromone, rush over me like an ocean

Pheromone, controllin' my every motion

Pheromone, I'm helpless as a pet

Pheromone, when your body's wetI can feel the tension through the crack in the door

He begs for love, while she's disgusted more

And I'm on fire, cause I never seen her nude before

I want to save her (save her)

I want to watch (watch)

All my vital signs go up a couple of notches

When he unties her and she runs to the open door

He trips and grinds her (grinds her)

Right there all on the floor (on the floor)

She so close I can touch her (touch her)Pheromone, rush over me like an ocean

Pheromone, controllin' my every motion

Pheromone, I'm helpless as a pet

Pheromone, when your body's wet (body's wet, body's wet, body's wet)Her eyes are closed but there's no
penetration

He just makes her point the pistol to his nose
While he masturbates and now I see a tear
Heading down towards her smile
What happens next it all depends upon your style(Oh, this is crazy baby)Pheromone, (Pheromone) rush over me
like an ocean
Pheromone, (Pheromone) controllin' my every motion
Pheromone, I'm helpless as a pet
Pheromone, (Pheromone) when your body's wet (body's wet)
Pheromone, rush over me like an ocean
Pheromone, controllin' my every motionI don't really want to go crazy but I'm helpless as a pet
When I see your naked body's wet (when your body's wet,body's wet)
(Pheromone) When I see your naked body's wet
(Pheromone) When I see your naked body's wet (body's wet, body's wet)
(Pheromone) But I'm helpless as a pet
(Pheromone) When I see your naked
Baby, when your body's wet (body's wet, body's wet)
Pheromone
Pheromone
Pheromone
Pheromone
