When it be going like that boom boom,
girl i want to put you up in my room.
I wanna put you up against that wall.
Throw you on the bed and take your clothes off.
Everybody don't like it slow consider me one of them folk.
Lets get to it,
get to it,
get to it,
get to it.
Kinda crunk and i'm on this scene a look back and that's my shit plus I had a shot of that quick Patron.
Now i'm in my boxers like botron.
Everybody don't like it slow consider me one of them folk.
And lets do it,
let's do it,
let's do it,
let's do it.
Baby that's the way I like it,
that's the way you like it,
that's the way we like it,
making love to booty music.
Go Leo its your birthday,
Go Virgo its your birthday,
Go Pisces its your birthday making love to booty music.
Girl I feel all in my bones trying to keep up with that tempo.
Do it all night till your back gets sore till we just cant take it no more.
Girl your ass like "OH MY GOD!" make it clap back till you give me applause sounded like (clapping) mhmm when i get in them drawers.
Got you hair in tangles wrapped around your ankles,
i'm gripping on your handles,
i'm hitting on different angles like
10, 5 cent, 10 cent dolla,
10, 5 cent, 10 cent, dolla,

10, 5 cent, 10 cent, dolla.
Now let me see you pop it,
pop it.
That's the way I like it,
that's the way you like it,
that's the way we like it,
making love to booty music.
Go Aries its your birthday,
Go Libra its your birthday,
Go Scorpio its your birthday making love to booty music.
Now don't stop get it,
get it,
pop that coochie let me hit it.
I wanna rock,
I wanna rock let me get a lil bit of that donkey right.
Now don't stop get it,
get it,
let me put some stank up in it,
I wanna rock,
I wanna rock,
lemme get a lil bit of that donkey right.
Does anyone out there wanna let me get a lil bit of that donkey right?
Oooohh Oooohh,

that's the way you like it,
that's the we we like it,
making love to booty music.
