

# Behind The Light Thou Shall Rise

## Deicide

Disemboweled on the altar, Jesus Christ  
Entrails in the pentagram circle  
Spill his blood and reversing Catholic hymn  
Invoke the onslaught of SatanMaster lord Lucifer  
From behind the light thou shall rise  
Drink ourselves as you feed  
His offering of purityBible bleed, hell on earth has been achieved  
Thou will fail before Lord Satan  
Casting sin, pissing on their crucifix  
Stepping forth into his creationMaster lord Lucifer  
From behind the light thou shall rise  
Walk his earth, invade in pain  
His Christians become the enslavedWhat was once is never more  
Infernal lord father restored  
Blinding priest in disbelief  
Revenge onto God he has sworn
