

Vanishing Point (Instrumental)

New Order

Grow up children, don't you suffer
At the hands of one another
If you like a sleeping demon
Listen can you hear him weeping
Tears of joy and tears of sorrow
He buys love to sell tomorrowMy life ain't no holiday
I've been through the point of no return
I've seen what a man can do
I've seen all the hate of a woman tooFeel your heartbeat lose the rhythm
He can't touch the world we live in
Life is short but love is strong
There lies a hope that I have found
And if you try you'll find it too
Remember why I'm telling youMy life ain't no holiday
I've been through the point of no return
I've seen what a man can do
I've seen all the hate of a woman too
