

Flesh And Bone

Bon Jovi

They judge you by your money
Or the color of your skin
They read you by the cover
Don't take time to read within
They judge you without jury
And you struggle to believe
No one could hear your story
Even justice had to leave

All I know

All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
(Man is made of flesh and bone)

All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
They build the walls around you

They tell you, you don't fit
Still you think you know me
You don't know the half of it
I'm a beggar, you're a savior
I'm your devil, you're a thief
I'll be here until you realize

I'm you and you are me

All that I know

All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
(Man is made of flesh and bone)

All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
All we are is all alone

(Man is made of flesh and bone)
Man is made of flesh and bone
(Man is made of flesh and bone)
All we are is all alone
(Man is made of flesh and bone)

Man is made of flesh and bone
Do the cuts bleed any different
On a pauper or a king?
When it comes down to dyin'
The crown don't mean a thing, no, no, no, no
All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
(Man is made of flesh and bone)
All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
(Man is made of flesh and bone)
All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
(Man is made of flesh and bone)
All we are is all alone
(Man is made of flesh and bone)
Man is made of flesh and bone
