

Ohh Ahh (feat. Major Nine)

V Stuck

Look, pussy so wet I had to watch my step
Baby suck it right cause i donâ€™t want nothing left
Blowing in that pussy, good call by the ref
Humming on that coochie she can feel my bass clef
How you like yo head, on the bed or the floor?
Switch it up , that pussy fresh imma eat it off the stove
You can grab my head if you feeling a nigga
Donâ€™t push it down , imma drown you tryna kill a lil nigga
Fucking with them young niggas baby get a man
If that pussy make me sweat , iâ€™ll put you on this plan
Whisper to that pussy , like you ready for this?
When that pussy soaking wet that means itâ€™s ready for dick
Man, you gotta eat that pussy like a frozen cup
Donâ€™t use yo tee, then when she leak you gotta slurp it up
Spit it back , donâ€™t lose nothing you gone need all that
Like yo mama used to say , you better eat all that AYE

AYE AYE LOOK, Iâ€™m just tryna see what you about
If I whip it out , would you put it in yo mouth

Beating on that pussy like the front doe

I can make it wetter than a swimming pool for ya
Why talk ? Ima show what Ima do to ya
