

Bird Song (Live July 31, 1971 Yale Bowl)

Grateful Dead

All I know is something like a bird within her sang
All I know she sang a little while and then flew on
Tell me all that you know, I'll show you snow and rain If you hear that same sweet song again, will you know
why?
Anyone who sings a tune so sweet is passin' by
Laugh in the sunshine, sing, cry in the dark, fly through the night Don't cry now, don't you cry, don't you cry
anymore
Sleep in the stars, don't you cry, dry your eyes on the wind All I know is something like a bird within her sang
All I know she sang a little while and then flew off
Tell me all that you know, I'll show you snow and rain
