

Crazy Girl

Eli Young Band

Baby why you wanna cry?
You really oughta know that I
Just have to walk away sometimes
We're gonna do what lovers do
We're gonna have a fight or two
But I ain't ever changing my mind Crazy girl, don't you know that I love you?
I wouldn't dream of going nowhere
Silly woman come here let me hold you
Have I told you lately I love you like crazy, girl? I wouldn't last a single day
I'd probably just fade away
Without you I'd lose my mind
Before you ever came along
I was living life all wrong
The smartest thing I ever did was make you all mine Crazy girl, don't you know that I love you?
I wouldn't dream of going nowhere
Silly woman, come here let me hold you
Have I told you lately I love you like crazy, girl?
Like crazy, girl Crazy girl, don't you know that I love you?
I wouldn't dream of going nowhere
Silly woman come here let me hold you
Have I told you lately I love you like Crazy girl, don't you know that I love you?
I wouldn't dream of going nowhere
Silly woman come here let me hold you
Have I told you lately I love you like crazy, girl? Like crazy
Oh crazy girl
Like crazy
Oh crazy girl
