Another Chance At Love

Shelby Lynne

(Allen Shamblin - Brent Maher)I won't let my jealous heart
Tear my world apart
If I ever get another chance at loveI won't make the same mistakes
Causin' a heart to break
If I ever get another chance to loveChorus
I won't be afraid to hold him close and tell him
How I need him more and more each day
I won't let my feelings hide
Behind my foolish pride
If I ever get another chance at loveNo I won't go to bed
When something's left unsaid
If I ever get another chance at loveAnd I won't run away
Knowin' what I know today
If I ever get another chance at loveChorusIf I ever get another chance at love
