Yours to Hold (Acoustic Version)

Skillet

I see you standing here
But you're so far away
Starving for your attention
You don't even know my nameYou're going through so much
But I know that I could be the one to hold youEvery single day
I find it hard to say
I could be yours alone
You will see someday
That all along the way
I was yours to hold
I was yours to hold
I see you walking by
Your hair always hiding your face
I wonder why you've been hurting
I wish I had some way to sayYou're going through so much
Don't you know that I could be the one to hold youI'm stretching but you're just out of reach
You should know
I'm ready when you're ready for me
And I'm waiting for the right time
For the day I catch your eye
To let you know
That I'm yours to holdI'm stretching but you're just out of reach
I'm ready when you're ready for me
