In the Water I Am Beautiful

Dallas Green

And I know it's not to get away from me
You just need a change of scenery
So strange how everything went wrong so fast
And I hope that this confusion does not last
These words might be too little, too late
And I'm afraid that I have already lost you
Now three months equals eternity and this will be so hard
And I will long to hold you in my arms
And when you ask, "Do you love me?"
And I should reply with, "Yes, most certainly"
And I always hesitate, there's something lingering
And I will try harder to be all that I can be
These words might be too little, too late
And I'm afraid that I have already lost you now
Three months equals eternity and this will be so hard
And I will long to hold you in my arms
