

Peace

Doug Carn

All we need in this world
Is to have a time of peace
A time of life and love, with all guidance from above
A time when man will understand being free
All in a time of peace
We need peace..... For our children
So that they may live a better life
What a joy divine what a perfect state of mind
With their worries and cares left behind
Oh what a peaceful time

Trombone solo....Bridge

We need peace for our children
So that they may live a better life
What a joy divine what a perfect state of mind
With their worries and cares left behind
Oh what a peaceful time
Oh what a peaceful time!
